

11 oz Mug Artwork File Prep

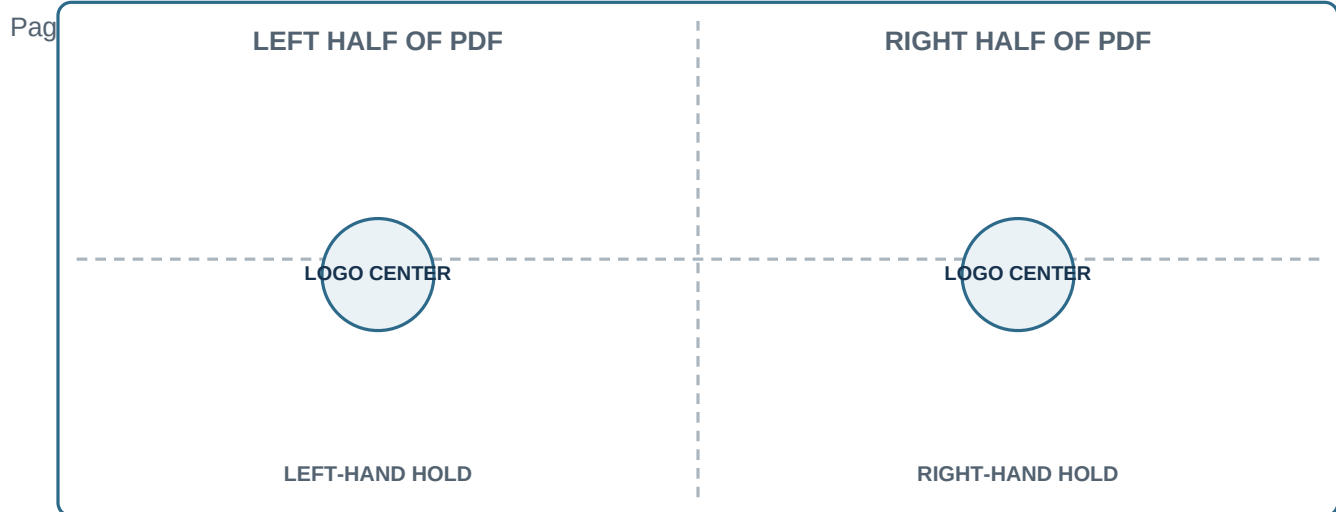

Use these specifications when preparing artwork for your custom mug.

Required artwork file

Maximum print area: 9.5 inches wide × 3.8125 inches tall

Upload: RGB PDF | PDF page may be landscape Letter | Bleed: Not required

Choose placement by the hand holding the mug

Left-hand hold: center the logo on the dotted vertical line in the left half.

Right-hand hold: center the logo on the dotted vertical line in the right half.

Before uploading

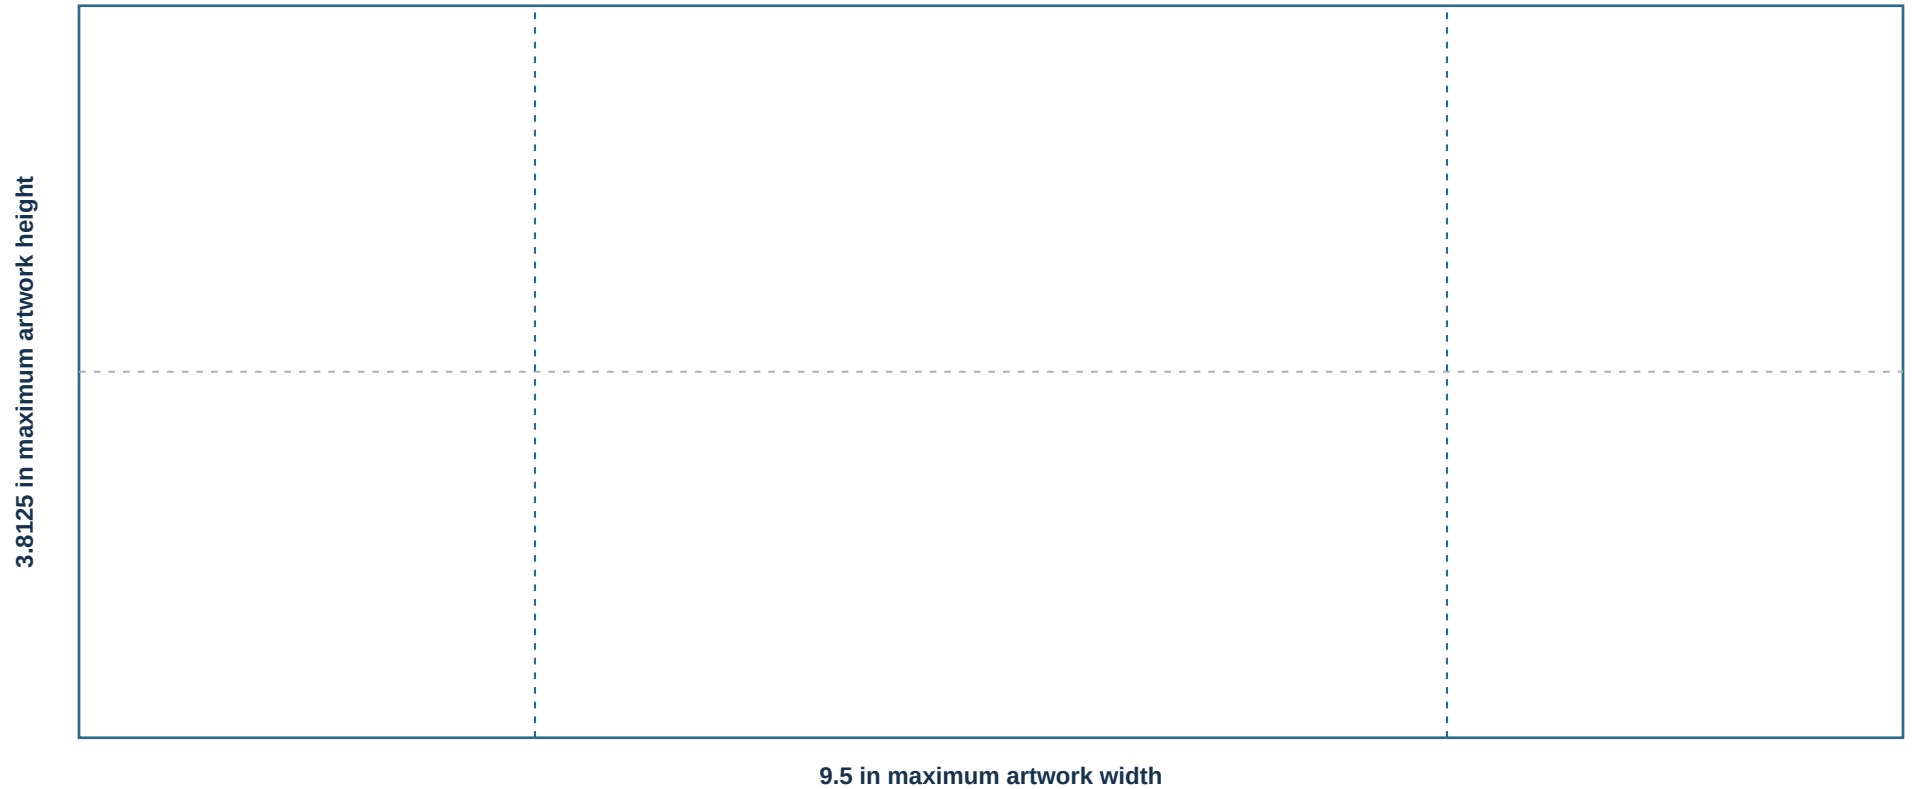

Keep important artwork inside the print-area box. Crop marks are optional; keep them outside the artwork area.

For designs on both sides, check the wrap orientation before exporting your final PDF.

Customer-supplied artwork is printed as submitted. Please verify your file before uploading.

11 oz Mug Artwork Template

Landscape Letter page • Print at 100% / Actual Size • Do not use "Fit to page"

Solid outline = maximum print area • Dotted lines = horizontal and logo center alignment • Remove guides from final artwork
